

Marrelli Support Services Inc. (MSSI) outsourced Chief Financial Officer Service, on a select basis, offers the appointment of one of our senior team members to the position of Chief Financial Officer for a reporting issuer.

Outsourced Chief Financial Officer – (CFO Function):

- Depending on the reporting issuers' size and scope of the CFO mandate, management may choose to outsource their CFO role to a Marrelli Support Services team member on a part-time basis.
- Our CFO team consists of a select number of senior members of the firm with strong financial reporting and compliance backgrounds. Each opportunity is carefully matched to the appropriate MSSI team candidate.
- In the event the scope of the CFO position within a client company grows significantly, MSSI may provide introductions to a select number of qualified external CFO's who can assume an enhanced role within the company.
